Bodies Of Four Found In Home

Police Seek Explanation of Crime at Chichester, Eng.

Canadian Press from Hayes
London, Feb. 25.—Scotland Yard was confronted yesterday with an axe-murder mystery of grave proportions. When police in Chichester, Sussex, broke into the home of John D. G. Burnboldt, fifty-one, a contractor, yesterday, they found him dead, together with his wife, forty-eight, and his nine and twelve-year-old sons. All four bodies were found in an adjoining room. A bottle of poison was near the body of the man.

Detectives doubted the husband and father had killed his family and committed suicide by drinking the poison, because of the presence on Burnboldt's head of deep gashes. He was the son of a former mayor of Chichester.

NO MONARCHY SAYS HITLER

Bahishes Thought Of Royalty's Return in Address to Nazis in Munich

Associated Press

Munich, Germany, Feb. 25.—The heavy hand and shouting voice of Adolf Hitler sought yesterday to banish forever all thought of the return of a monarch to the German Reich.

"To fools who still dream of a restored regime," Hitler shouted, "I say what once can never be again. You will never return to power."

The huge Munich town hall echoed with cheers from an assembly of old Nazi campaigners and young supporters of the party gathered to celebrate the fifteenth anniversary of the day Hitler proclaimed the Nazi gospel in a Munich beer cellar.

"We are all for peace," said Hitler during his speech, touching only briefly on foreign relations, "but not at the price of our honor. We are ready for any kind of collaboration, but if the world does not understand, we are ready at all times to stand on our own feet."

Mainly his address was a series of recollections of the struggles of National Socialism.

SLIGHT GAIN IN BUILDING

Building continued to show gains in the city last week. Nine permits were taken out at a total value of \$4,780. These included one dwelling valued at \$3,000 and a garage shed for the Canadian Lumber Company worth a similar amount.

With almost another week to go the monthly total was ahead of that of February, 1934, the current month's construction figures being approximately \$22,000 against \$18,787 during the same month last year.

The figures were also ahead of the January total.

Demands Made By 100,000 at Meetings in England and Wales

Associated Press
London, Feb. 25.—A hundred thousand persons participating in country-wide demonstrations against "dole" restrictions yesterday heard proposals for a national one-day strike in protest against the government.

At the largest of the dole meetings at Aldermaston, Cheshire, a resolution was approved, a resolution urging workers consider a one-day strike in an effort to force the government to withdraw all existing unemployment benefit regulations and create new scales of payment.

More than thirty associations were held in south Wales, including one in Tonypandy, where 6,000 marched to the offices of Lord Tredegar, Colonial Secretary, and Sir Philip Glanville Lester, Colonial Secretary, were invited to the houses of Lords to make room for new blood.

The protests were directed against the family means test, the new regulation which cuts payments to unemployed heads of families if their dependents are earning anything, and vice versa.

The government recently restored general cuts in employment assistance at the cost of widespread protest, but the unemployed contended this was only a start and demanded elimination of all existing dole regulations.

Regarding a possible cabinet shake-up, the Sunday Pictorial offered a new forecast, declaring it would be "no surprise" if Sir John Simon, Foreign Secretary; Sir John Gladwyn, Home Secretary; Sir H. Walter Scott, Under-Secretary of State for Trade, and Sir Philip Glanville Lester, Colonial Secretary, were elevated to the House of Lords to make room for new blood.

The revision was adopted after complaint that motorists' taxes were going into the pockets of Lord Rothermere, who owns the Pictorial, and satisfied the present Parliament will live out its constitutional life ending in September, 1936.

The confectionery store of Wong Sing, Granville Street, fell victim to another holdup a few minutes later.

Two gunmen entered the establishment and while one held the clerk covered with a gun the other carried the cash register containing \$150 to a waiting automobile outside.

Two armed men held up Paul Lamont, Kaslo Street, and robbed him of \$20.

COMMONS NOW SPEEDING UP

Observers in Ottawa Trying to Get Indication of Election Date

Canadian Press

Ottawa, Feb. 25.—With private members' business out of the picture, excepting for an hour on Tuesday and Friday nights, the House of Commons to-day bucked down to its regular work. This includes all present. The unemployment insurance bill, nearly through committee stage, and measures providing for an eight-hour day and one day's rest in seven. In the background, if legislation is unavailable or a change is

desirable, the main estimates provide plenty to go on with.

An important branch of Parliament's work will open this week when committees will inquire into bills.

With Parliament's business thus speeded up the question engaging minds of political observers in Ottawa is whether or not this fact foretells an early election. Coupled with that question is acceptance or otherwise of the invitation to the Prime Minister to attend the King's silver jubilee at Sandringham, June 6.

If the election is to be early in the spring it would seem impossible for the Prime Minister to accept, in which case it has been rumored he would be represented in London by either Rt. Hon. Sir Robert Borden, war-time Prime Minister of Canada, or Rt. Hon. Sir George Perley, senior member of the government and one-time Canadian High Commissioner to Great Britain.

But it has been learned definitely no decision has been reached, and Mr. Bennett desires to pay his personal respects to His Majesty on the occasion of his twenty-fifth accession anniversary. Since he has as yet failed to make definite plans it would seem to follow no decision has been reached by the government on election date.

JULY DISCUSSED

A large section of the Conservative party, it is known, would prefer an election in July, while another section is of the opinion polling should come as soon as the work of Parliament can be disposed of. No recent statement of opinion on this point has come, publicly, from the Liberal opposition.

DRAFTING BUDGET

The budget is expected in about four or five weeks. Tariff experts have been busy for some time on proposed changes and it is believed there will be some alterations by mutual agreement in the Canada-United Kingdom agreement.

MAN WOUNDED, ANOTHER HELD

Police at Sioux Lookout, Ont., Seek Story of Attack on Highway

Canadian Press

Sioux Lookout, Ont., Feb. 25.—His throat cut from ear to ear, his head and body slashed with knife cuts, Louie Stuhne, retired Finnish typewriter, lay in a hospital here to-day in a critical condition. Adam Tykka, also Finnish, was held in jail to face a charge.

No motive for the attack on Stuhne has yet been ascertained by police, who arrested Tykka at the home of neighbors with whom he and his wife had lodged for the night.

Stuhne was picked up on a road in twenty-beleve-zero weather by a police returning home from a dance.

Ruoho's head bore three wounds, one rib was severed on the left side, the weapon piercing through the stomach, and his hands were slashed. The cut across the throat barely missed the jugular vein. A leather jacket he was wearing was slashed from shoulder to shoulder.

TEN DROWN AS CRAFT SINKS

Canadian Press
Victoria, Feb. 25.—James B. Wood in police court here to-day on a charge of murdering his twenty-two-year-old wife, Rose, who was shot near her home at Twenty-ninth Avenue and Knight Road last Friday evening.

Brown was arrested in his bed in his room on Seymour Street an hour after police were notified of the shooting, in which the woman was almost instantly killed. Police believe, after discovery of marks on the woman's face and arms, that she must have put up a struggle before she was shot down.

A street conductor, police report, has given a description of a man who boarded a street car at Twenty-eighth Avenue and Fraser Street a few minutes after the shooting. He stated the description tallies with that of Brown.

Brown and his wife had been estranged for three months and the woman had been living with her parents.

Canadian Press
Victoria, Feb. 25.—Advisors to Brown in court to-day said ten persons were missing following the capture of a heavily laden excursion boat three miles off St. Lucia's southwestern coast.

Brief word from the villages of Choisuel and Leborie said seventy others had been saved when the motor launch St. George, carrying a gay crew of Thirty-second year old sailors, overturned yesterday morning.

The ten missing persons, believed to number some of the little craft's crew, were thought to have drowned. They could not be located in a hurried check-up search.

Canadian Press
Victoria, Feb. 25.—Fred Roy, who pleaded guilty to a white slavery charge, was sentenced by Magistrate H. S. Wood in police court to-day to three years in the penitentiary.

C. Prosecutor Oscar G. stated defendant had come to Victoria with a young woman to whom Roy had made overtures. He said Roy took the woman to Victoria and was followed by detectives who arrested him after listening to a conversation between the two.

Victoria, Feb. 25.—Sir John Simon, British Foreign Secretary, would come to Moscow for conferences but official circles had nothing to say on the subject.

Opposition circles and other sources of information said the European peace agreement about deeply interested in reports Sir John might visit the Soviet after a trip to Berlin and possibly Warsaw.

IRELAND HAS SEA MONSTER

Strange Creature Caught Off West Coast Is Offered To British Museum

Canadian Press

London, Feb. 25.—Ballymena, the sister Scotch marine minister of Loch Ness, the remains of an Irish sea monster have been offered to the British Museum. It was learned to-day.

The Irish specimen, known as "Chimaerae Lacustris," and said to have been caught on the west coast of Ireland, seems from its description to be fully as remarkable as its Scotch rival.

It is said to look like a shark except that it is much longer and much thinner, has a long hook-like mouth with many needle-sharp teeth set closely in its jaws like a comb, and six gill openings instead of five.

Canadian Airways officials to-day were unable to explain weekend accident. They said the plane, a Bellanca, was overhauled recently.

Keith, a Winnipeg man, learned to fly while a member of the Winona Flying Club in 1929. He went flying through the province and soon afterward took an advanced training course at Camp Borden, Ontario, commencing in 1930.

STATIONED AT VANCOUVER

The following year Keith was transferred to the R.C.A.F. station at Vancouver for a course of instruction in flying boats and seaplanes. He returned to Camp Borden and qualified in blind flying.

Resigning from the R.C.A.F., he was appointed instructor of the Brandon Man, Aero Club in 1932 and in 1933 was appointed instructor of the Winnipeg Flying Club.

He joined the Canadian Airways staff of pilots last summer and last August was transferred to the company's base at Ilford, in northern Manitoba.

He is survived by the widow and one son, as well as his mother, two brothers and one sister, all of Winnipeg. Another brother, Morris, was with him in the airways service as a mechanic at Ilford.

Mr. Ellen Teague, sixty-nine, was killed in a tornado which swept the mining community of Commerce and Douthat, Okla. Fifteen persons were sent to hospitals.

Six persons were injured at Independence, Kansas, and a Wichita suburb. Five buildings were destroyed at each of those points and others were damaged.

Ruby Reiff, sixteen, Ordway, Colo., died with the overturning of her mother's car in a highway sand drift.

Driver, by a four-wheel drive, northwest wind, the snow drifted badly and temperatures dropped toward zero as the fury of the storm increased.

Dust drifts were higher than snow drifts at Gothenburg, Neb., as tons of fine dirt were buried under the air and whipped about by the wind.

LETTERS TO THE EDITOR

The second letter read:

"Mother darling:—Do you remember Charles (Flying Officer) John A. C. Forbes, one of the two aviators killed in a crash at Messina; telling about the corridors?"

"Straight, Charles was engaged to another girl and he was going to marry her if we would have been married this summer probably. There never will be anyone else for me."

"We heard of his death in Paris on Monday. We came on to London Saturday morning to see the Blitz. Mother did not want to see anyone. Come for mother with all your strength. I think she will feel as we do. Luck is with you now."

**Two-piano Recital
By Local Artists**

A two-piano recital has all the charm of novelty, and when its exponents are such well-known players as Gwendoline Harper and Edgar Holroyd the interest is intensified.

These two local pianists, who have been heard before in two-piano numbers and who have been working together for the last four years, will appear in recital at the Empress Hotel Tuesday evening, March 19. Their programme will include the variation on a theme of Haydn's by Brahms and a Mozart sonata, as well as several lighter pieces and modern works.

The recital will be under the patronage of the Victoria Musical Art Society and the Music Teachers' Association.

CIEMAN SETS WORLD RECORD

Canadian Walker Gives Brilliant Performance in U.S. Championships

New York, Feb. 25.—Notice was served to-day on anyone foolish enough to doubt the consummate brilliance of Henry "Bucky" Ciemian that the Toronto star still is the premier pedestrian of North America.

Ciemian went out for a stroll Saturday night without his followers who believe the star is getting fat and he left them trailing in his dust to cap the United States 1,500-metre walking championship and a world record to boot.

Ciemian's time of 8 minutes 7.3 seconds dislodged the old record of 8:04. The second-place titholder—Charles Bannister, New York, took second place, thirty yards back of Toronto's Canadian champion.

Mark's stellar performance was one of the highlights of an amazing U.S. Amateur Athletic Union title meet in Madison Square Garden.

Although the scoring ace gathered six points over the weekend, Charlie Conacher and one assist to lead the point-gatherers, and Earl Robinson, Montreal, was close behind with one goal and two assists.

The standings follow:

WANTED—A COMMON SENSE SCRUM

Continued from page 4

You cannot yet see the progress of which for the past thirteen months has been, the exercising ground for the riflemen—a distance of less than three-quarters of a mile. Not it is still a new project in process of construction, but you may still drive over the danger spot for the distances of miles and miles to the frontiers with Mexico, and if you are good at arithmetic you can easily compute the cost of expenditures in powder, etc., which would have made that distance of road in a safe condition. But, on, you must be patient for the next twenty-five years or so until the D.N.D. succeeds in to have a little further success in the government-owned roads. Now, to state this, the closed season our light cars have had to stay in the garages all winter on account of the present road being cut across, as is now the case.

In this province so fortunate as to be able to afford to connect the road and the main highway—over the mountains, through the Rockies, in use, nothing remains to the other three-hundred miles to the north?

The present road is condemned. Are we therefore to await the reconstruction for another twenty-five years?

"CANADIAN."

GALLIPOLI VETERANS

To the Editor: Since opening up the above subject with reference to a reunion dinner of all Gallipoli veterans, others have been elicited with greater interest than I had at first anticipated.

Up to date, I have received ten applications. Of these ten, one comes from Sidney, one from Royal Oak and another from Duncan. The subject matter of these letters make very interesting reading, indeed, and recalls many memories of that ill-fated expedition. They come from men who served with the famous 29th Division, the Royal Navy and the Army.

In my past references to this subject, I inadvertently omitted to include those who served in the air. So slight is interest and I herewith offer my apologies to those members who served in that hazardous occupation of the junior service. A welcome is hereby extended to those who served on the air at the Gallipoli.

The information of those veterans who have given good cause to send in their names to me I might state that I am circulating the different branches of the Canadian Legion so that every publicity may be given the matter.

In spite of my success, I am of the opinion that there are more Gallipoli

veterans both here and in Duncan who have not yet sent in their names. I hope upon them soon to send in their names as soon as possible so that we can hold a meeting and make arrangements for having a real good time.

In conclusion, I thank you, Mr. Bator, for the frequent and generous space you have given me in your newspaper concerning our cause.

**"Y" CAMPAIGN
IN TWO WEEKS**

**Y.M.C.A. and Y.W.C.A. Victoria's Best Investment,
Dividends in Citizenship**

Two weeks from to-day Victoria's two "Y" will begin their annual appeal for financial support.

The Y.M.C.A. and Y.W.C.A. chose to represent the best investment in the city. They pay dividends—not immediately in cash, and not to the supporters alone, but in good citizenship in years to come, for every inhabitant of Victoria.

In a period when there is not enough employment and little hope for those people as they stand out of schools and colleges, this brother and sister association gives something to grasp and provide moral and physical ideals to live up to, instead of discontent.

The objective of the joint financial drive, which is an annual event for the two associations, has been set at \$25,000. This sum, if attained as the organizers of the drive are confident it will be, will go to eliminate the Y.M.C.A.'s 1934-35 deficit of \$5,500 and \$1,000 out of the association's consolidated deficit, while the Y.W.C.A.'s 1934 deficit of \$4,400.

The divisions in the campaign have been divided into four divisions, three representing the men's and one the women's association. Each division is headed by a leader, and is made up of four teams, each of at least four men, all headed by a captain. This system permits the most thorough canvassing of the city to be made, and work on an cooperative basis as a further incentive.

The divisional leaders this year are: G. H. Newbottom, W. T. Struth, W. W. Martin and Mrs. G. M. Weir. Mrs. Weir, wife of the Minister of Education, represents the Y.W.C.A.

The campaign has distinguished support. Mr. Howe, the Lieutenant-Governor, has consented to act as honorary chairman, and Mayor David Latta is general campaign chairman, taking an active part in the organization of the drive.

**Solarium Board
Names Officers**

At the first meeting of the Queen Alexandra Solarium directors held since the annual meeting, the following officers were elected for the ensuing year: President, William B. Lamont; vice-president, J. H. W. MacLean; treasury treasurer, Charles Wilson; Executive, Sir Richard Lake, Goufford Wilson, Mrs. Curtis Sampson, Mr. William Peden, Mrs. Gale, E. W. Lester, R. Ward, J. P. Babcock, E. W. MacLean, H. C. Nichols, Col. Johnson, Dr. J. D. Hunter and Dr. MacLean.

The honorary president is His Honour the Lieutenant-Governor; honorary vice-presidents, Mrs. W. C. Nichols, Mrs. G. M. Weir, Minister of Education, and Hon. T. M. MacPhee, Minister of Public Works.

The Past Matrons' and Past Fathers' Association of the Order of the Eastern Star will meet to-morrow evening, at 8 o'clock, at the home of Mrs. F. B. Schenck, 20 Cambridge Street.

ESTIMATES GO DOWN AS USUAL

Esquimalt School Board Will Consider Ratepayers' Petition Next Thursday

The petition, unanimously approved for submission to the Esquimalt School Board by the Esquimalt Ratepayers' Association at their meeting last Wednesday will be considered by the trustees when they hold their annual meeting in the Lampson Street School at 8 o'clock next Thursday. Major A. W. Warner, chairman of the board, announced the decision.

The petition demanded drastic reductions in the 1935 school estimates in the municipality, which will be considered by the Esquimalt Council this evening.

The adoption of the petition was accompanied by a claim that the association felt that in the event of no action being taken, the association would see that none of the school trustees would be re-elected at the conclusion of their present term of office.

The estimates have gone forward to the council as usual, without alteration.

Major Warner stated that he understood the special meeting between the council and school board called ten days ago to consider details of the estimates, had been satisfactory to the council.

The ratepayers also approved the proposed budget for the coming year, which will be submitted to the municipal council at their meeting this evening, demanding general reductions in the expenditures of the municipality.

On Saturday morning Orr admitted having chased a worthless cheque at the Sunnyside Hotel. He was remanded to the Royal Bank of Canada for trial on the Royal Bank of Canada's charges.

Last October 12, the accused checked in at the Empress as Robert Orr and after staying two days paid his account with a cheque for \$67.95, drawn on the Bank of Montreal in Vancouver, where it was reported he could not be traced.

Nanaimo Scores On Penalties

Special To The Times

Nanaimo, Feb. 25.—Displaying brilliant football Victoria United outplayed and outclassed Nanaimo to win 3 to 2 here yesterday afternoon and clinch the B.C. series for the Island championship. Victoria won the competition, three matches to one and thus retain the trophy they captured for the first time last season.

Yesterday's match was played before a record crowd of 2,000 in brilliant sunshine. The Victoria forwards gave Nanaimo a violent lesson in football play and the result was the finest seen here this season. Gordie Bell, Scotty Stewart and Geo. Payne played brilliantly, and were a constant threat with their beautiful passing movements and sharp shooting. Bell was outstanding in the last time.

Both Nanaimo goals were the result of penalty kicks, while Bell scored a goal for Victoria from the spot.

Victoria took lead in first half, after twenty-two minutes play, when Payne sent over a brilliant cross for Bell to head in the far corner of the net out of McLaren's reach. It was glorious goal and Nanaimo had to equalize. Nanaimo fought hard to equalize and DeCosta was called upon to save on several occasions. Resuming attack Victoria again scored when Wagland accepted a nice pass from Bell and shot past McLaren.

Both teams attacked alternately with Payne, Bell and Stewart being prominent for Victoria. Watt retired with a bad knee and was replaced by Robinson. Nanaimo reduced the lead when March handled in penalty area, Gray beating DeCosta. With a hard drive, Victoria led 3 to 1 at half time.

Resuming, Nanaimo showed up better and made several raids, but DeCosta was safe. Stewart, Payne and Bell scored a series of goals and DeCosta handled in the penalty area and Guy scored. Victoria, nothing daunted by reverses, continued to play brilliant football, being ever after on ball and able to opportunities. Following end to end play, Victoria attacked and were awarded a penalty. Bell gave Victoria the lead with a shot that ricocheted off the post. Eddie Stewart, Payne, Bell and DeCosta were outstanding for Victoria. Edmunds, Thompson and Gavyn played well for Nanaimo.

Afghan Stages A Rough-house

Eludes Referee to Land Punches on Lafue While He Is Outside Ring

With the score standing at one fall each, Abel Khan, the hard-slugging Afghan, ended the headline bout with Johnny La Rue in the fourth round at the Tillamook gym. Saturday night by nipping Johnny over the head when Johnny was outside the ropes, and putting him out of commission.

The pair were badly matched. When the crowd undoubtedly likes to see two rough mugs mixing it, La Rue is the kind of man they would rather see wrestle. The Oklahoma man, who is one of the cleverest men to appear in Victoria since wrestling came to town, had no chance to do his stuff Saturday. The Afghan turned it into a rough and tumble elbow and fist fight.

As the gong sounded for the first round, the referee, a copper, battered La Rue about the head until he was dizzy and then slammed him down all within a few seconds.

He tried the same system in the second round and La Rue was forced to retaliate in kind until he put on a step-over-to-head that made the Afghan tap the mat. The third and fourth rounds were just rough-housing. The Afghan was outside the ring and ready to come back in, so the ring referee to punch Johnny in the head and knocked him off the platform. When La Rue climbed back the Afghan doubled his fist and repeated the performance and this time Johnny stayed out injured.

Dutch Holland, a clean cut young chap from New York, made a great hit with the crowd when he started up the Crystal Garden Post. Dutch got the fall with flying tackles in the second round but flew out of the ring and injured himself in trying to repeat in the third. The match was full of action and would have been a perfect try had not Gus resorted to a little strategizing to tame down his aggressive opponent.

Ed. Griffin got falls in the third and fourth rounds to defeat Minnie Allen in a good special event.

In the women's model competition at the Macmillan Point Golf Club yesterday Miss Mary Letts was the winner with a gross score of 76 which her handicap reduced to a net 52.

The second game this season, each school has won a fixture.

The second game of the cup series will be played two weeks hence at the Victoria High grounds.

In the women's model competition at the Macmillan Point Golf Club yesterday Miss Mary Letts was the winner with a gross score of 76 which her handicap reduced to a net 52.

Fighting Ribbons Defeat Province

With Weakened Line-up Victoria Cagers Turn in Sensational Performance to Whip Canadian Champs 36 to 28 in Northwest Tournament Game; Everett Here Wednesday

Battling with their backs to the wall, through the loss of Doug Peden, ace guard, injured in a rugby game in the afternoon, Victoria Blue Ribbons cut loose with some dazzling basketball bat at the High School gym on Saturday evening to whip the Vancouver Province 36 to 28 in a Northwest tournament elimination game.

The victory, a mighty sweet one, earned the Ribbons the right to engage Everett here on Wednesday evening in a sudden-death engagement to determine which team will go to Seattle for the Northwest series February 28 to March 2. The Ribbons are favored to win.

With a weakened line-up, through the loss of both Peden and Andrews, the tea and coffee boys went out determined to put up the battle of their lives and beat the Province on sheer fighting courage and brilliant team spirit.

Every member of the team deserves commendation for Saturday's win. Although they had only six men, as against nine for the Province, the Ribbons set the pace and before the finish it was the Vancouver players who wilted under the pressure. The two Chapman brothers, Art at centre, and Chuck at guard, were the outstanding players on the floor. Art had his biggest scoring this season to score sixteen points, fourteen of them came in the second half. Chuck was in his glory breaking up Province offensive drives, knocking passes into the crowd and ball handling in sensational style.

McKEEACHIE PLAYS WELL

Alex McKeachie, one of this year's recruits, must get a pat on the back for his performance. He was on the floor the entire forty minutes and passed and checked like a veteran. He also scored seven mighty useful points.

In ball handling the Ribbons were the Province players outclassed by a big margin it was laughable at times. Martin, McKeachie and Art Chapman even pulled off some house of David plays that had the Province players running around like a bunch of chickens with their heads cut off and provided the fans with much laughter. The Ribbons had to take advantage of the lack of skill of the Province boys to win, foolish and they certainly achieved their objective in the last five minutes of play.

John Purves, tall centre, led the Province scorers with twelve points. Tony Osborne was second high man with eight.

FIRST HALF DULL

The first half was generally quiet, with long restful pauses when nothing happened at all except a lot of wild kicking. The second half was a bit more lively, but still very spasmodic.

Features of the game were an abundance of corners at both ends, and a number of missed shots and co-operation by either team.

At the opening of the game the City closed in on Islanders' goal mouth and stayed around it for ten minutes, until Field, James Island outside right, brought the ball up to the line and drove it into the net. Gibson, James Island, the only four or five hard shots he had to save during the whole game. Shortly afterwards W. Cowden, Island inside left, came near to scoring with a long hard drive that hit the crossbar.

Ten minutes before the interval, the Ribbons scored at a fast clip and after the lead on a basket by Osborne from in front. The Ribbons soon evened matters. Martin dropping in a beauty from the side. McKeachie took his time and canned the ball from well out to put the blue shirts ahead. Art Chapman took up 6 to 2. Purves jumped up to his bat in the visitors' second basket.

The students played a nice combination play with close-in shots on the bank-side. Advances were content to take long shots, unable to score through the strong student defense.

Advances trailed Varsity from start to finish and the halftime score was 21 to 13 for the students.

The second half was a repetition of the first. Varsity at no time being in any difficulty.

Molly Wallis Sets New Swimming Mark

Local Mermaid Shatters Mary McConkey's Junior 100 Yards Girls' Freestyle Canadian Record in Vancouver

Vancouver, Feb. 25.—Two Canadian swimming records were shattered and a new British Columbia mark created as swimmers from Vancouver Island and mainland clubs competed at the British Columbia swimming championship gala at the Crystal Pool here Saturday night.

Molly Wallis, sixteen-year-old member of the Victoria Amateur Swimming Club of Victoria, bettered by 2.5 seconds the Canadian mark of 1.07 4-6 for junior girls' 100 yards free style, which has been held by Mary McConkey of Edmonton since 1931.

Robbie Hooper of the Vancouver Amateur Swimming Club, craved the 100-yard men's free style record when he swam the 100 yard free style for junior boys in 50.54 seconds, exceeding earlier than the mark made at Toronto last year by Robert Pirie, Victoria Curran, also of the Vancouver A.C., was responsible for the new British Columbia mark when he swam the 100 yard free style for junior boys in 50.54 seconds.

GENERATION OF EVENING

Miss Wallis created the sensation of the evening when it became known that she had shattered a Canadian record. Her remarkable performance was made during a heat to qualify for the final of the 100 yard free style for junior girls. Quite calm, the pretty Victoria girl took the lead from the start and steadily increased it all the way to win the event by a good thirteen-yard margin.

Hooper, who had been having a new Canadian mark, took the plunge for the final of the event and started as if to break her own record. After leading all the way she finished with a good five-foot margin on her nearest competitor, and there were gasps of astonishment among the spectators.

FORCED TO QUIT

Evidently that the two record-breaking performances put on by the young Victoria girl had taken their toll was seen in the fact that she was unable to finish the 200-yard freestyle for junior girls after taking an early swim.

Eleanor Peden, Pacific A.C. of Victoria, took a well-earned second place in the 200-yard free style for junior girls. Miss Peden also placed third in the 100-yard free style event for seniors, and won both the 100 and 200 yards events for the Victoria A.C. for second place. Marion Moffatt took the event in 50.50 flat.

Ernie Peden added another third place to Victoria's honors in the 100-yard breast stroke. Alan Gourlay of the Vancouver A.C., won the event in 1.16 flat.

NO COMPETITION

Monica Trump, well-known swimmer, and the Victoria A.C. appeared alone in the 100-yard breast stroke in an attempt to break the Canadian record. Her time was 1.00 flat, two-fifths of a second short of the Empire Games record and one second short of the Canadian record for the distance.

The three Victoria relay teams scored a victory in their events. The senior women's medley relay, consisting of Monica Trump, Dorothy Johnson and Rae Saunders of the Victoria A.C. captured second place in the 100-yard event, after a hard fight with the Vancouver A.C. team, who were second in 1.00.

The Victoria A.C. junior boy's team took second place in the 200-yard free style junior relay. The team consisted of Lloyd Mathews, Robert Moss, S. Martin and Biggstaffe Martin.

Jean Burnett, Bertha Burnett, Peggy Dyer, Wanda Rose, and Wanda Ross, the Victoria A.C.'s junior girls relay team, took third in the 200-yard junior girls' free style relay.

Securities Close Irregularly Lower On Wall St. List

Canadian Press
New York, Feb. 25.—Relative firmness of utilities was again a supporting factor in to-day's stock market, but the softness of scattered rails and industrials continued to cast shadows over the bullish forces.
The closing tone was irregularly inactive. Canadian funds held unchanged at \$100.00 each.

Among Canadian stocks, Dome and Canadian Pacific were a bit lower, while McIntyre and International Nickel held about even. The Dominion Government bond list ruled inactive. Canadian funds held unchanged at \$100.00 each.

About the only encouragement to proponents of the advance, aside from the better showing of utilities, was the fact that offerings tended to dry up on the declines. Here and there, also, a few issues were inclined to buck the trend. The news, generally, was of a more or less neutral character.

Shares of Consolidated Gas, American Telephone, Western Union, Public Service of New Jersey, American Water Works and North American got up fractionally to around a point. Cuban American Sugar preferred and Eastman Kodak improved two points or so each. United Fruit was up more than one.

Empress of Asia Due on Saturday

On her way to Victoria from the Orient, the Canadian Pacific liner Empress of Asia was 2,373 miles from Victoria at 8 o'clock yesterday evening, according to a wireless message picked up at the Gonzales station. She is expected to dock here early Saturday morning.

The Empress of Asia sailed from Hong Kong last week in drydock at Hong Kong for annual overhaul. She will have only a week in port at Vancouver this voyage, being scheduled to sail on her return to the Orient on Saturday, March 9.

MEETING TO-NIGHT

The regular weekly meeting of the Victoria branch of the Seafarers Industrial Union will be held this evening at 10½ Hamley Building, corner of Government and Broughton Streets. It is expected this meeting will result in detailed plans being laid to advance the programme of the union, which is to better the conditions of the men who ship out of Victoria.
